

SANTA PHOTOGRAPHY RULES

- If anyone is feeling unwell, experiencing any COVID-19 symptoms, been in contact with someone who has tested positive to COVID-19, or been to a COVID hotspot, you are unable to have a Santa Photo at Village Centre & Bridge Plaza
- On arrival, scan the QR code and complete details.
- Maintain your distance to other families and follow the floor decal social distancing indicators when waiting to see Santa.
- Use hand sanitiser on entry to the Santa Set
- The number of people allowed inside the Santa Set will be limited based on the 4 square metre rule. Signage at the Santa Set will indicate the maximum capacity. The maximum capacity will include Santa and the photographer.
- Due to social distancing unfortunately family members will NOT be able to high five Santa, sit on the throne next to Santa or sit on Santa's knee. All family members will need to remain 1.5 metres from Santa at all time. Parents and carers please assist with younger children.
- There are stools provided in front of the Santa throne for you to sit and pose for your photo. These are sanitised after every visit.
- Photos may be cancelled at anytime during the day to ensure a COVID safe environment. The photography team will work closely with the customers if further bookings are required
- Sign in before getting your Santa Photo
